INFORMATION DISCLOSURE STATEMENT

Applicant attaches herewith the English language translation of the International Preliminary Examination Report. The International Preliminary Examination Report indicates that the claims are novel and "have an inventive step". The Report also indicates that DE 199 57 986 is believed to be the closest prior art. This reference has been cited in an Information Disclosure Statement submitted on June 30, 2004.

Consideration of the International Preliminary Examination Report is requested.

Respectfully submitted
for Applicant,
